MEMORANDUM FOR THE RECORD

2 December 1962

General Counsel

Item for the Daily Log - 2 December (Tuesday)

25X1 [ ] called me to say that he had talked with his  
25X1 friends on the [ ] presumably [ ] about the  
25X1 [ ] planes and parts, and that his [ ] people indicated  
that we would be discussing it further and that we were interested.  
25X1 [ ] was puzzled by this since he knew he had not talked to  
me. I told him that we had informed our [ ] people that we  
had no connection with the transaction, and while not opposing any  
loan or arrangements they might make, this Agency had no part therein.  
25X1 [ ] said this was his understanding from previous  
talks with Mr. Hedden, and he did not wish to get involved unless  
we wanted him to. He pointed out that he did have representatives  
25X1 in [ ] who could take action in this case, but I repeated that  
at this point, and so far as I knew in the future, this Agency had  
no interest in being involved in the transaction in any way.
